Happy New Year!

Happy New Year! Thank you for being our customer and thank you for your support in 2009. We are excited about this coming year and look forward to serving our community with additional menu items and a variety of events.

Soccer/Football

Soccer matches will be aired at the BBC weekends ramping up to the World Cup in June. Join us for a pint and cheer for your favorite team. The Bear is a huge fan of ManU. We also watch football.

Snowmobile Trail

Refuel at the BBC when you are out cruising about on your snowmobile.

Accessible via the snowmobile trail that feeds into our parking lot, there is ample space for sleds and vehicles. Inside warm up with soup, chili, burgers, steak nachos, pizza, fun and more.

Valentine's Day

Sunday, February 14, 2010 the Black Bear will serve a special price fixe four course meal and a glass of Champagne - \$25/person with reservations. This special meal can also be prepared to take home (sans champagne) to have a big night out in the comfort of your own home.

Facebook
